**Introduction to Milisa Miller and the Challenge Coin Design Activity**

A Challenge coin is used most frequently with military and fire/police departments. They come in all different shapes, sizes, colors, styles, etc. The coin face is filled in with various imagery, words, and symbols representing an organization or person. The image is important (it is two sided) it conveys the whole purpose, there isn't a lot of space for text. We need to brainstorm ideas - it is important to include our town logo and stick to our town color (pantone 208, burgundy). Things that remind us of Superior: community events, statues, flowers ex: coal mining is a big part of our history. There are key words and phrases we might want to consider. Folsom would like to acknowledge folks who stand out in the community. Milisa will bring us samples to decide between by using our ideas and then we will pull together more ideas.

### **Evaluation for Treats for Troops**

We had one less school and got more boxes than last year! We need to get word out to the schools earlier next year. Keep the boxes out an extra day if the flexibility allows it. Bring more awareness in the future. Possibly talk to local businesses or organizations for leftover candy.

### **Community Wellness Survey**

Start making it in January and get it out by March. Create a small committee to handle this undertaking (Riley, Matthew, Michael, Adriana) Questions to answer: How will we get it out? How will we collect the data? How will we protect it? How will we ensure wide representation.

### **Snow Busters**

Shovel snow for households who can't do it for themselves, after two inches of snow has fallen. We have 8 families who need help, 6 have been taken over by other volunteers. Due to the ticketing/fine process in the Town of Superior. Volunteers: Connor Reuter, Ari Mondrow, Connor Ryan, Jack Reuter, Riley Carpenter

### **Parents Night Out**

We had a successful turn out last year. The Sport Stable gave us free space last year, where could we do this this year? Eldorados gym. We should split the kids up into groups We could charge money for Parents Night Out in order to rent the Sport Stable, or choose to do free with donations. Sports stable is hosting Parents Night Out every Friday, we need to keep the cost low in order to be a service to the community. Could we partner up with the Sport Stable? We could do it on a Saturday night or on actual Valentines Day for a greater turn out. Marc Lacis - we could make a Parents Night Out for Christmas shopping. Presidents Day is the same weekend, which could make things complicated. We should set a date sooner in order to work on the advertising. We have a budget to use, if we don't use the budget to its extent, then the budget may be reduced

Committee: Jordan, Jae Young, Soha, Jack, Connor R, Sahana, Trini, Trisha, Tyler

### **Superior Elementary PTA Partnership**

Have control over the kids, Don't use a parachute, Have at least three volunteers to keep things easier, have activities planned. Sit them down at the beginning and "give them the law"

January 15 - Jack, Soha, Matthew, and Michael

February 7 - Joe, Colin, Ella, and Rithi

March 13 - Adrianna, Jaeyoung, Jordan, Tyler

### **Meeting New Trustees**

Marc Lacis introduced himself and told us a little about his family and work. The council introduced themselves to Trustee Lacis. The council also wants to get to know the other trustees! Lish, Shaw, Skladzinski are all new trustees

### **Connecting with Other YLCs in the Area**

Louisville, Boulder, Longmont, Lafayette all have YLCs. Longmont has reached out to us already. Should we have an event that is about socializing, learning, or service? How do we want to connect? We could organize a summit for all the councils. Get a guest speaker to talk about leadership. We scheduled a social for the first quarter of the year, but we can move it to second quarter. Reach out to them in January, Kevin has contact information for us to use. Adriana and Jaeyoung will initiate contact.

### **Sock it to 'em Campaign**

The month of December the Town of Superior is collecting socks for the homeless. Reach out to people through social media. The Stocking Run is on Sunday, December 16th and they need volunteers for many different duties. From about 7:30-10:00. Connor, Bella, Tia (maybe), Ella, Jack volunteered

### **Team Bonding**
