## Facility Use Permit Agreement

### Allocation of Use Permits

1. Facilities will be released for reservations 3 times per year. The release dates are as follows:
  - Winter Release: Opens December 1 - For periods January 1 – April 30
  - Summer Release: Opens April 1 - For periods May 1 – August 31
  - Fall Release: Opens August 1 – For periods September 1 – December 31
2. The Town reserves the right to increase or decrease the number of permits or time of use based on changes in need, availability or fields due to maintenance, priority scheduling, abusive use and/or failure to use assigned fields, failure to pay fees and failure to pay fees in a timely manner. Facilities will be designated “unusable” for 30 minutes between reservations to give Town Staff time to inspect and prepare the facility for the next user group.
3. Space accommodations for concessions are available at Community Park. All concessions must be pre-approved on the permit application.
4. Special events that include more than 200 participants at any one time may be subject to review and additional requirements. Portable toilets may be requested at user expense. The contact person or designee is responsible for providing traffic and medical plans. The impact of special events on fields and facilities are subject to annual review to determine the number of special event permits that may be issued in the future.

### Cancellation/Refund/Transfer Policy

The Town reserves the right to cancel use of a park, facility or pool reservation due to needed maintenance, facility conditions, or inclement weather. The Town will make every attempt to arrange maintenance operations around scheduled reservations. If unavoidable, the user group will be credited for any canceled time.

1. If the facility is closed by the Town, or a permittee cancels their reservation at least three business days before the start of the reservation, 100% of the fee will be refunded.
2. If inclement weather causes the permittee to request cancellation of the reservation, the PROS department staff must be notified within 24 hours following the reservation in order to refund 100% of the fees.
3. Fees for staff to complete field line and drag or any field prep before the notification of cancellation may not be refunded.
4. If a reservation is paid by cash or check, refunds will be made by check and mailed within 4 weeks of cancellation. If paid by credit card the credit card used will be credited.
5. A facility reservation change form must be completed and a fee of \$10 will be assessed for each occurrence of reservation changes.

### Weather Closure Rules & Regulations

1. The Parks, Recreation and Open Space Dept. will determine if the fields are playable due to weather or field conditions. Weather closures are not made before 3pm on weekdays and 8am on Saturdays and Sundays. Permittees should visit [www.superiorrec.com](http://www.superiorrec.com) after 3pm on weekdays and after 8am on Saturdays and Sundays for field closure information.
2. No motorized vehicles are allowed on the fields at any time, and vehicles are not permitted to clear off snow.
3. Permittees are not allowed on the fields once they have been closed due to weather or field conditions.
4. Any violation to these rules and regulations will result in a fine of \$500, and additional fines will be charged for damages. Continued violation will result in additional fees of the following: 2<sup>nd</sup> violation \$550 fine, 3<sup>rd</sup> violation \$600 fine. Three violations in a year will result in the revocation of the user’s privileges.

### Damage/Clean Up Deposit and Fees

A refundable \$200 damage deposit is due with the permit application for all user groups. The contact person, by signing the Facility Use Permit, is responsible for any costs associated with damage to parks, facilities or pools. Any costs for damage to the facilities beyond \$200 will be assessed by the PROS Department and billed to the contact person for the user group. Facilities will be designated as “unusable” for 30 minutes between reservations to give Town Staff time to inspect and prepare the facility for the next user group.
