# COMMUNITY POLLINATOR GARDEN *Planting Event*

**JOIN US IN CREATING HABITAT FOR COLORADO'S NATIVE POLLINATORS!**

**DATE:**  
July 18, 2026

**TIME:**  
10:00 AM – 12:00 PM

**LOCATION:**  
101 W Coal Creek Dr,  
Superior, CO 80027

**FREE  
COMMUNITY  
EVENT**

**EVERYONE IS  
WELCOME!**

Come help build a beautiful pollinator garden that will support bees, butterflies, hummingbirds, and other beneficial wildlife while enhancing our local community.

**VOLUNTEERS WILL  
HELP PLANT THE GARDEN!**

**VARGAS WILL HAVE  
A BOOTH AND GIVE  
A TALK!**

## EVENT ACTIVITIES

Plant Colorado-native flowers and pollinator plants

Learn about pollinator-friendly landscaping

Discover how native plants conserve water and support local ecosystems

Volunteer alongside community members and local landscaping professionals

Attend a special educational talk presented by Vargas Property Services

Visit the Vargas Property Services information booth to learn more about sustainable landscaping practices

## WHY POLLINATORS MATTER

Pollinators are essential to healthy ecosystems and thriving landscapes. By creating pollinator habitat, we help support biodiversity, strengthen local food systems, and beautify our community.

## WHAT TO BRING

- ✓ Comfortable clothing
- ✓ Closed-toe shoes
- ✓ Water bottle
- ✓ Gardening gloves (if available)
- ✓ Enthusiasm for helping the environment!
